-

5. SHAREHOLDER INFORMATION

Ownership interests within the Orbis Group may be held directly or indirectly through individual shareholders, holding companies, trusts, investment partnerships, or affiliated entities.

The shareholder structure is designed to ensure:

- Long-term stability
- Sustainable growth
- Responsible governance
- Strategic continuity
- Effective succession planning

Specific ownership percentages, beneficial interests, and voting arrangements may be confidential and subject to applicable legal, regulatory, and contractual restrictions.

6. INVESTMENT PHILOSOPHY

The Orbis Group follows a disciplined investment approach focused on:

Capital Preservation

Protecting shareholder capital through prudent risk management practices.

Long-Term Appreciation

Identifying assets capable of generating sustainable value over extended periods.

Income Generation

Acquiring investments that provide recurring revenue streams.

Diversification

Maintaining exposure across multiple industries, jurisdictions, and economic sectors.

Responsible Investment

Considering environmental, social, and governance factors when evaluating investment opportunities.

7. REAL ESTATE PORTFOLIO

The Group maintains interests in a diverse range of real estate assets.

These may include:

Residential Assets

- Apartment buildings
- Single-family residences
- Luxury residences
- Student housing
- Multifamily developments

Commercial Assets

- Office buildings
- Retail centers
- Business parks
- Mixed-use developments
- Industrial facilities

Hospitality Assets

- Serviced apartments
- Boutique hotels
- Vacation rental properties
- Hospitality management ventures

Properties may be owned directly, indirectly, jointly, or through affiliated investment structures.

8. INTERIOR DESIGN AND DEVELOPMENT OPERATIONS

The Orbis Group maintains interests in premium interior design, architecture, and development services.

Areas of specialization may include:

- Luxury residential interiors
- Commercial workplace design
- Hospitality design
- Property staging
- Renovation consulting
- Design-build services
- Project management

The Group's design operations aim to integrate functionality, sustainability, and contemporary aesthetics.

9. TECHNOLOGY AND INNOVATION INVESTMENTS

In addition to traditional asset classes, the Orbis Group may invest in innovative technology sectors, including:

- Artificial intelligence
- Financial technology
- Real estate technology
- Enterprise software

- Digital infrastructure
- Cloud computing
- Cybersecurity
- Data analytics

These investments are typically structured as minority holdings, venture investments, strategic partnerships, or joint ventures.

10. CORPORATE GOVERNANCE

The Orbis Group is committed to maintaining high standards of governance.

Governance principles include:

- Accountability
- Transparency
- Ethical conduct
- Regulatory compliance
- Independent oversight
- Financial integrity
- Responsible decision-making

Management regularly reviews policies to ensure alignment with applicable laws and international best practices.

11. COMPLIANCE AND REGULATORY FRAMEWORK

All Group entities are expected to operate in compliance with applicable laws and regulations.

Compliance programs may address:

- Anti-money laundering requirements
- Counter-terrorist financing regulations
- Anti-bribery legislation
- Sanctions compliance
- Corporate reporting obligations

- Data protection laws
- Employment regulations
- Consumer protection requirements

Employees, contractors, officers, and representatives are expected to adhere to internal compliance policies.

12. RISK MANAGEMENT

The Group maintains comprehensive risk management procedures designed to identify, assess, monitor, and mitigate risks.

Risk categories include:

- Market risk
- Operational risk
- Legal risk
- Regulatory risk
- Liquidity risk
- Reputational risk
- Technology risk
- Cybersecurity risk

Risk management policies are reviewed periodically and updated as necessary.

13. PRIVACY AND DATA PROTECTION

The Orbis Group respects the privacy of clients, tenants, partners, investors, and website users.

The Group may collect and process information for:

- Property management
- Customer support
- Contract administration
- Regulatory compliance
- Business operations
- Security monitoring

All reasonable measures are taken to safeguard personal information against unauthorized access, disclosure, or misuse.

Where applicable, Group entities seek compliance with:

- General Data Protection Regulation (GDPR)
 - United Kingdom Data Protection Act
 - Relevant United States privacy laws
 - Romanian privacy legislation
-

14. INTELLECTUAL PROPERTY

All intellectual property rights associated with Orbis Group materials remain the exclusive property of the relevant Group entity.

Protected materials may include:
